Dear H el ene Samson,

In response to your correspondence dated July 12, 2017; the Canada Border Services Agency (CBSA) - International Events and Convention Services Program (IECSP) officially recognizes the following event:

CANM-CAMRT 2018 Joint Annual Scientific Meeting

March 23-24, 2018

The Westin Bayshore

Vancouver, BC

Your request for Border-to-Show privileges has been granted. The CBSA has advised its ports of entry to allow your goods to move directly to the show site (once they have been reported to CBSA at the first port of entry) where officials will perform the necessary clearance procedures.

The information provided to the CBSA states there will be approximately 200 attendees of which 15% are foreign to Canada. The event is closed to the general public with no sales of merchandise.

This event is expecting approximately 3 foreign exhibitors who are importing display booths, printed advertising materials, and other convention material for use at the event. Non-Canadian exhibitors may import display items and exhibit booths temporarily as outlined in the provisions of tariff classification **9993.00.00.00** duty free, on the condition that the goods will be exported from Canada upon the completion of the event.

Foreign exhibitors importing goods into Canada from the United States should consult with U.S. Customs and Border Protection (USCBP) prior to shipping any convention materials. It is required that goods valued over \$2000USD be reported to USCBP. USCBP may document the goods on a form 4455 in order to identify the goods upon return to the US.

The IECSP has been informed that Davidson & Sons has been designated as the official customs broker for this event. If you have any questions regarding importing meeting materials into Canada or if you wish to inquire as to the brokerage services provided, please contact Remy Perrot at 604-681-5132.

CBSA requires everyone seeking admission into Canada to properly declare themselves to CBSA by providing accurate identification. CBSA will accept a valid passport as proof of citizenship.

Persons who have been convicted of any criminal offences may be inadmissible to Canada. For more information please visit: <http://www.cic.gc.ca/english/information/inadmissibility/index.asp>

If you have attendees from visa-requiring countries (<http://www.cic.gc.ca/english/visit/visas.asp>), please contact the Special Events Unit of Citizenship and Immigration Canada (CIC) at [special.events@cic.gc.ca](mailto:special.events@cic.gc.ca) with the specifics of your event. They will assess the visa requirements of your event.

Visa-exempt foreign nationals, excluding US citizens, require an Electronic Travel Authorization (eTA) to fly to or transit through Canada. For more information please visit [www.cic.gc.ca/english/visit/eta-start.asp](http://www.cic.gc.ca/english/visit/eta-start.asp).

To facilitate border procedures it is recommended that foreign attendees and exhibitors be provided a copy of this letter for presentation to a CBSA Border Services Officer upon their arrival to Canada.

In conjunction with the presentation of this Recognition Letter, an itemized list of goods including a description, country of origin, quantity and value is required for presentation to CBSA. If your event materials will be imported by a commercial carrier or courier service, a copy of this letter should also be attached to any shipping documents.

Please do not hesitate to contact the undersigned if you have any questions or require additional information.

Sincerely,

Mark Bourne
