

The Division of Nuclear Medicine at the Ottawa Hospital is recruiting physicians.

Candidates should ideally hold Royal College of Physicians and Surgeons of Canada certification in Nuclear Medicine and be eligible for full licensure with the College of Physicians and Surgeons of Ontario.

The successful candidate will practice broadly in all aspects of nuclear medicine, including

- ✓ General nuclear medicine
- ✓ Nuclear cardiology
- ✓ Positron emission tomography
- ✓ Bone densitometry
- ✓ Radionuclide therapy

Benefits enjoyed by the Division:

- ✓ Progressive academic practice
- ✓ Active residency and fellowship training program
- ✓ Large teaching hospital
- ✓ medical physicist and research support
- ✓ Close collaboration with multiple specialties
- ✓ Productive affiliation with world-class institutions
